DECLARATION OF POLITICAL STATUS, AND RELEASE AND DISCHARGE

Case No. 2:16-cr-00534

Declaration of Political Status, and Release and Discharge for Judge Clark Waddoups

I, DeLynn of the Lawful House of Hansen, release and discharge Judge Clark Waddoups from his emergency war powers jurisdictional duties created by Section 17 of the "Trading with the Enemy Act" and clearly inform the court that I, a Private American National Citizen who has harmed nobody and nothing do not consent to statutory military jurisdiction of any kind. I did not willingly or knowingly consent to statutory military jurisdiction, and I do not consent to statutory military jurisdiction now, nor at any foreseeable time in the future.

I do, however, accept the Oath of Judge Clark Waddoups and his trust obligation to uphold and defend the Constitution of the United States under the Law of the Land affirmed "So help me God" and I do accept the "perpetual friendship" and "amity" of all members of the Bar Associations owed to Americans by the Treaty of Westminster 1794 and their honest conduct owed by The Bar Association Treaty of 1947.

I repeat, that I am a non-combatant and not an "enemy" and I do not consent to any statutory military jurisdiction being exercised against me by this court. I do not consent to any statutory military jurisdiction being exercised with respect to me in the present, and do not consent to any future statutory military jurisdiction being offered against me.

I revoke any and all consent, actual or implied, to act as or be considered a voluntary surety, trustee, volunteer, a corporate officer of any kind, a tax payer, commercial driver, corporate franchise operator, warrant officer, licensee, beneficiary of the public charitable trust or any other individual or employee subject to the British Crown or the British King in any capacity whatsoever.

I clearly attest and declare, that I am an American born on the land of the Utah state, and I am one of the free, sovereign, and independent people of the United States as defined by The Definitive Treaty of Peace, Paris, 1783. I have never considered any other political status actual or implied to be a benefit.
